### DECLARATION OF REACH SVHC COMPLIANCE

#### REACH SVHC Compliance Statement

The tables below list part(s)/product(s) which **do** and which **do not contain** substances on the Candidate List of Substances of Very High Concern (SVHC). This list is specified by the European Union Regulation 1907/2006 on the Registration Evaluation Authorization and Restriction of Chemicals, which can be viewed here: [echa.europa.eu](http://echa.europa.eu).

This declaration includes the SVHC list from **February 04th, 2026**.

This Declaration is valid for all products, assemblies and parts delivered None of the products, assemblies or parts contain substances on the candidate list with more than 0.1% w/w.

#### REACH Parts List with NO SVHCs present at more than 0.1% w/w:

This Declaration is valid for products, assemblies and parts listed below. None of the products, assemblies or parts contain substances on the candidate list with more than 0.1% w/w.
